

ACW68

CLASSIC DLS MUSICALITY

ACTIVE 6x8" SLIM SUBWOOFER

The Reference series is developed for real music lovers. Filled with innovative solutions, delivering a warm and embracing sound.

- Probably the best compact under seat BASS in the world.
- Our bass optimize control allows you to tune the ACW68 for ultralow bass and the ultimate extra kick via Q-matched -6dB/+6dB range.
- New designed remote control with steel case and detent potentiometer, for easy operation.
- Perfect High-End upgrade to OEM systems, with the ATO (Auto Turn On) function.
- Full die-cast aluminum housing with a subtle matt black coating.
